

Paper Plate Fish

- Paper plate
- Scissors
- Glue (or tape or a stapler)
- Googly eyes (optional)
- Crayons, paint or markers
- String or cotton

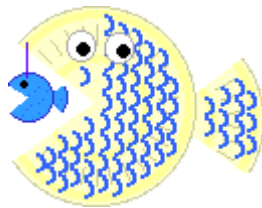

1. Cut a wedge out of a paper plate. The wedge will be the tail, the gap the mouth.

2. Glue or staple the tail to the fish. Add an eye.

3. Cut a wedge out of a small circle of card and create a mini fish
4. Hang the mini fish in the mouth of the other fish using cotton or string

5. Decorate the two fish
