

RECYCLE MOBILE PHONES
AND PRINTER
CARTRIDGES FOR CASH!

We want your old ink and toner cartridges, as well as any old and unwanted mobile phones. We can turn these into trees and money for 5th Hull. How? You may ask....

As part of the BB recycling scheme we get money for ink and toner cartridges as well as for mobile phones. In addition we can help the environment as for every collection made one tree is planted by Global Trees.

We have already raised over £150 and had 7 trees planted through this scheme, but we still need your help. If you have any donations, please leave them outside of the BB cupboard door or hand them to Paddi. All donations will be very much appreciated!

Thursday 16th July

6.45pm

This is the date for your diary - Badge Night for all members of 5th Hull.

Everyone will have earned something, even if they are new, so please come along and support the young people, watch the band and celebrate the success of the Boys' Brigade at Derringham Bank Church. There will be Queens Badges and Presidents Badges along with first time presentations of the new Discover Awards.

There will also be a raffle, sale of company pens and our exclusive company badges. The presentations, which will finish just before 8pm, will be followed by our annual star of the year cakes and refreshments. Please join us and bring along family and friends.

5th Hull Gazette

Champions!

5th Hull Boys' Brigade recently travelled to the BB/GB National Band Championships in Stoke on Trent. After a very early start, leaving Hull before 6am, the youngsters played a set including Great Escape, Lord of the Dance, Star Wars, We are the Champions and Shine Jesus Shine. The band of 15 played exceptionally well.

At lunchtime the presentations were made and 5th Hull went away with three trophies - Best General Musical Effect, Best Wind Section and the Beginners Class Champions Trophy.

The afternoon saw even more success as David Morrison competed and won the Valved (cornet) and Unvalved (Bugle) Solo classes. This is an amazing achievement as David is still relatively young in band terms.

If you wish to see the band perform their award winning set, then come along on badge night, Thursday 16th July at 6.45pm.

Pens

As part of a publicity and fundraising drive we are selling 5th Hull pens. The pens are available for only £2.00 each and are good quality. They are available from Pat Stephenson, Paddi or Vicki. Please support 5th Hull and help to spread the word that the Boys' Brigade is still going strong by buying and using a 5th Hull pen.

Grimsby

The Company and Seniors had a day out in Alford and tea in Cleethorpes when they attended the Grimsby and District Battalion Events Day. They participated in Orienteering, Drill, Bible Knowledge and First Aid Quizzes and Swimming.

They did exceptionally well with Mike Braithwaite winning the seniors swimming and 5th Hull winning the bible knowledge and first aid competitions, although we didn't take away their trophies. The day ended with fish and chips in a rather damp Cleethorpes!

News

We have recently welcomed Liam Dobson to the Seniors as he has made the move from 5th Scarborough. Harrison Raw has joined the Anchors too. Grace Burnett from the Juniors has joined the band playing her clarinet.

The Anchors and Juniors have been looking at Disciples and Friends in all of their activities and they have had fun making paper chains of friends. The Company and Seniors have been frantically finishing their badge work in time for badge night.

New members welcome!
New members (boys and girls!) are always welcome at 5th Hull Boys' Brigade.
We meet on a Thursday and Friday at Derringham Bank Church, Willerby Road, Hull. Fun, games, music, badge work, devotions, craft, camps and holidays for young people aged 5 to 18.

The Boys' Brigade is a Christian Uniformed Youth Organisation.

5th Hull also has a group on Facebook which is managed by Mike Braithwaite, so please search for us and join our group.

We always welcome new members, so if you know someone who might be interested then ask for one of our leaflets or pass on our contact details (below).

Scarborough

A small group of Company and Seniors went to Scarborough for the confirmation of Aaron Gardner, a member of 5th Scarborough BB. The group enjoyed an active service and then enjoyed fish and chips and ice creams in a very busy, sunny and warm Scarborough!

FirmFoundations

Firm Foundations is the BB/GB Christian Worship and Arts Festival held annually in Hemel Hempstead over the second May Bank Holiday Weekend. This year Mike Braithwaite and Paige Savage went along to act as stewards along with Matt, Vicki, Paddi and Ian. Owen and Liam also attended with their 'other' companies.

A fantastic weekend was had, with amazing weather and great worship. We intend to venture to Firm Foundations next year with an even larger group of older Seniors who will act as Stewards at this amazing festival.

Whilst there they all gained a point for their Seniors Challenge Plus Award as they had their photos taken at Brigade Headquarters. 30 points mean they get a Gold Award, 20 points are needed for Silver and 10 for Bronze. All of the Seniors will get at least their bronze award this year.

Thankyou

Thank you for your help in collecting Tesco tokens. We have over 1600 tokens so far and we are in a position to place our order. Watch this space to find out what we manage to get!
