

RECYCLE MOBILE PHONES AND PRINTER CARTRIDGES FOR CASH!

We want your old ink and toner cartridges, as well as any old and unwanted mobile phones. We can turn these into trees and money for 5th Hull. How? You may ask....

As part of the BB recycling scheme we get money for ink and toner cartridges as well as for mobile phones. In addition we can help the environment as for every collection made one tree is planted by Global Trees.

We have already raised over £180 and had 7 trees planted through this scheme, but we still need your help. If you have any donations, please leave them outside of the BB cupboard door or hand them to Paddi. All donations will be very much appreciated!

# Bowling

The Juniors had a bowling competition at Hollywood Bowl recently. The night, with bowling, chips and drinks, was enjoyed by all. The winning score of the night was Kieran Lovelock but there were lots of good scores so well done to everyone who took part and congratulations to Kieran!

# Fundraising Calendar

5th Hull are selling laminated calendars, like the one pictured below, to help raise funds. The calendar includes pictures of 5th Hull activities in the last 12 months such as Founders Day Parade, a trip to East

Park, the National Band Competition win, the Junior Section Scavenger Hunt teams and members of the band playing in the BB 125 Tattoo in Braehead, Scotland. Please support 5th Hulls work if you can by purchasing a laminated calendar at only £1 each. These will be available throughout the Christmas and New Year Period.

# 5th Hull Gazette

# PartyTime ...

This year saw a very well attended Anchor/Junior Party. 29 youngsters attended the fun filled event with the usual music, games and food.

The Seniors had their bi-annual Christmas Formal Meal. The dress code was smart and the youngsters were greeted with cocktails (non-alcoholic of course) and hors d'oeuvres. These were followed by a five course formal meal and following the meal some promotions were made.

# News Update

During November we have welcomed back some old members to the Company who had left us. We welcome back Craig Overton into the Company Section and Angelo and Angelico Smith into the Junior Section. We have had one new member in the Anchor Section Aaron Daló.

In the Anchors and Juniors we have started work around the theme of Advent and the Company and Seniors have been looking generally at the theme of preparation and of periods of preparation that Jesus went through. Badge classes have included Aerobics, Bible Knowledge, Snooker, Table Tennis and Craft.

We always welcome new members, so if you know someone who might be interested then ask for one of our leaflets or pass on our contact details (right). We are in particular looking for Juniors, these are boys and girls in school years 4, 5 and 6.

5th Hull Band has also played at the annual Anlaby Common Christmas Lights Switch On and despite the road closure whilst trying to get the band and instruments there, the evening went well, with all band members receiving a present from Santa.

Vicki and Paddi have led Youth Leader Training in Nottingham and Building your Skills in Grimsby.

# Competition Update 09

In the Fantasy Football Paige the top individual is still Paige, she also has the highest points score for the month of November. Well done Paige.

Junior Section Bowling - The top score of the night went to Kieran Lovelock, who scored 107. Well done, Kieran.

# BYS

Four Members of 5th Hull successfully completed their **BYS (Building Your Skill)** course in Grimsby this month. This Course is an essential element in the work towards their President's Badge and involves lots of team working activities to show the strength and benefits of being a team player!

The day ended with a Fish and Chip tea in Cleethorpes. A fun and enjoyable day was had by all.

Congratulations go to Jack Wingfield, Alice Sullivan, Sarah Fairbotham and David Morrison. We hope they continue their hard work and go on to achieve their President's Badges in the summer.

## Women's Refuge

As part of the Community element of her Queen's Badge work, Paige Savage has been raising money for the Women's Refuge in Hull. She held a cake stall at Derringham Bank Coffee Morning and held a Pyjama Evening at BB with some Sleep Themed Activities. Everyone paid 50p to come in their PJ's. She has raised approximately £60 to donate to the Women's refuge. Well done, Paige!

# Seniors Out and About

The Seniors at 5th Hull have had a busy few weeks. As well as normal weekly activities they have had their annual Sunday Lunch at Manor Farm after the Harvest Festival, which was an enjoyable occasion. They also attended the Service to hand over their shoe boxes, which they completed as part of their badge work. They wrote letters for the other company members, collected items and packaged the shoe boxes, completing 19 in total They also went out delivering Church Anniversary Invites (with help from the Company Section) and finally they have also been to Hull Truck Theatre. They went to see the John Godber Show - Shakers - which was excellent and thoroughly enjoyed by all.

# Promotions

The Boys' Brigade operates a promotions system for youngsters aged 14 and above to reward leadership within the Company. At the age of 14 youngsters are eligible to become a Lance Corporal, at 15 a Corporal, at 16 a Sergeant and at 17 a Staff Sergeant. The promotion to these ranks is only through hard work. At the formal meal we made a number of promotions. Sarah Fairbotham, a relatively new member of the Company, was promoted to Lance Corporal. Jack Wingfield has been working hard leading in the band and has been promoted to Lance Corporal too! Matthew Harrison has been helping out in the Juniors and with the Catering Committee in church, consequently he has been promoted to Corporal. Phillip Ellarby has had a fantastic year so far, showing real commitment to the Company, thus he has been promoted to Sergeant. Promotions at 5th Hull are only made three times a year, if necessary and we look forward to more promotions at Easter and badge night.
