

Sheep Buns

Needed:

Buns
Marshmallows
Icing sugar
Icing pens

Preparation

1. Sort out the marshmallows out – you only need white ones!
2. Use scissors to cut each marshmallow in $\frac{1}{2}$ (so that they are flatter)
3. Just before the youngsters arrive make up a small quantity of icing (not too runny!)

Activity:

1. Spread white icing on ONE bun at a time
2. Use the icing pens to draw a face on top of the white icing
3. Stick the marshmallows around the edge to form 'sheep wool'
